Institutet**

Department of Microbiology, Tumor and Cell Biology

The impact of the cytoskeleton dynamics on immune responses

AKADEMISK AVHANDLING

som för avläggande av medicine doktorexamen vid Karolinska
Institutet offentligen försvaras i Jacob Berzelius, Berzelius väg 3,
Karolinska Institutet, Solna Campus

Fredagen den 3 Oktober 2014, kl 09.00

av

Marisa A. P. Baptista

M.Sc.

Huvudhandledare:

Dr. Lisa Westerberg
Karolinska Institutet
Department of Microbiology, Tumor and Cell
Biology

Bihandledare:

Professor Annika Scheynius
Karolinska Institutet
Department of Medicine, Solna
Translational Immunology Unit

Docent Mikael Karlsson
Karolinska Institutet
Department of Microbiology, Tumor and Cell
Biology

Fakultetsopponent:

Dr Ana-Maria Lennon-Duménil
Institute Curie
Department of Immunity and Cancer
Paris, France

Betygsnämnd:

Professor Robert Harris
Karolinska Institutet
Department of Clinical Neuroscience

Professor Eva Sverremark Ekström
Stockholm University
The Wenner-Gren Institute, Immunology

Professor Lars Hellman
Uppsala University
Department of Cell and Molecular Biology

Stockholm 2014
